Subject: RE: Council Decisin Letter for EM-T-MOBILE-084-200422 (434 Boston Post Road, Milford)

Good morning Evan:

I was just advised that T-Mobile has redesigned their configuration and therefore final scope of work for this project location. The attached approval letter dated May 11, 2020 for 434 Boston Post Road will not proceed to construction. I do anticipate preparing and submitting a new exempt modification application on behalf of T-Mobile's new, and finalized scope of work very shortly. If there is a formal process in which to cancel this approval please do let me know. I apologize for any inconvenience this may cause the Council. Thank you.

Best,
Anne Marie
